Creating a new account

To use Rappt.IO you must first create an account. You can do this on our website by following these steps:

1. Enter your details in the Create a new account form.

2. Click the green "Create new account" button at the bottom of the form.

3. Check your email for an email verification message from Rappt.IO. If it doesn't show up within a few minutes, please check your Spam/Junk folder.

4. Open the email and click the green "Verify your Rappt.IO account" button.

5. You will be logged in to your Rappt.io account as a verified member, where you will be able to join an existing project, or create you own project.
